Reports of Committees.

To the Senate and House of Representatives in Congress assembled:

Gentlemen—We, the Bishop and members of the Mississippi Annual Conference of the Methodist Episcopal Church, South, in Conference assembled do most respectfully memorialize your honorable body for a repeal of so much of the war revenue tax law of June, 1898, as applies to bequests in favor of charitable, educational and religious institutions. In the interests of mercy, truth and righteousness your petitioners will ever pray. This the 15th day of December, 1900.

Brookhaven, Mississippi.

SECRETARY.

PRESIDENT.

Committee on District Conference Records.

To the President and members of the Mississippi Annual Conference:

Your committee appointed to examine the character and method of preparing the records of the District Conferences submit the following report;

Only five records were submitted to the committee for examination; the records of the Brookhaven and Vicksburg Districts not having been presented. Your committee are pleased to say that the records of the Jackson, Meridian, Natchez and Seashore Districts are models of neatness and are well kept. The record of the Forest District is well kept, except the failure to record the committee on License to Preach, Deacon's Orders, Elder's Orders and Recommendations to the Annual Conference. Respectfully submitted,

JOHN D. ELLIS.
P. H. HOWSE.

Committee on Temperance.

To the Bishop and members of the Mississippi Conference:

Dear Father and Brethren—Your committee on Temperance beg leave to submit the following report:

We again re-assert the uncompromising position of our church on the liquor question and urge upon our people, both laymen and the preachers to seek by all reasonable means the end and purpose of our law as a church as regards this great evil. Therefore be it

Resolved, 1. That we respectfully request all of our ministers to co-operate with the W. C. T. U. in their efforts to secure the scientific temperance instruction of children,

2. That we send telegrams to our Senators asking their influence in favor of the pending bill for the abolition of the army canteen which recently passed the House by a majority of one hundred and fifty-nine to fifty-one.

• 3. That we encourage our people to a most persistent and continuous effort towards securing a uniform prohibitory state law. We fear that a failure to advance now will mean the loss of the ground already gained for the cause of temperance. We believe the only way to hold the counties we have already is to banish whisky from the adjoining counties. Respectfully submitted,

J. E. CARPENTER, Secretary.

Epworth League Board.

The Epworth League Board submit the following report :

We are pleased to note the steady progress this movement for the best life of the young people of our church is making in our great connection. According to the report of our general secretary five hundred and seventy-seven new leagues have been chartered during the past year, which means an increase in the general membership of about 24,640. In our own Conference the work is not going forward with satisfactory progress. We now have 64 leagues and 2144 members, which is a slight decrease from last report. Let us recover the lost ground and press on to greater results next year.

We desire to call special attention to the Epworth Era, the League reading course and the proposition to furnish the Era and the reading course together. The Epworth Era is published at the price of one dollar, or seventy-five cents in clubs. The four books of the reading course are offered at \$1.90. The Era and the reading course in paper binding are offered together at the low price of one dollar each. We commend these to the young people of our church. We believe there are great possibilities in this branch of our church work, and we urge our pastors to organize leagues wherever they can do so.

W. B. LEWIS, Chairman.

Conference Relations.

We, your committee on Conference Relations, have examined the merits of the several cases referred, and beg leave to report as follows :

For Superannuation—John A. Vance, R. A. Sibley, L. P. Meador, R. B. Downer, E. A. Flowers, J. W. Harmon, H. R. Caldwell, J. H. Evans, W. B. Hines, D. G. W. Ellis, T. W. Brown, P. A. Johnston, W. W. Hurst, J. H. Holland, H. B. Travilion, W. G. Backus, P. Howard and R. W. Bailey.

For Supernumerary Relation—C. A. Powell.

W. G. FORSYTHE, Secretary for Committee.

Sabbath Observance.

To the Bishop and Members of the Mississippi Annual Conference :

DEAR BRETHREN : Your committee on Sabbath Observance respectfully submit the following report, viz. : that,

Whereas, there is a very great want of reverence for the Holy Sabbath Day, which is being manifested in manifold ways, such as the running of excursion trains, keeping open bar-rooms, barber-shops, fruit stores, and in many places grocery stores, also fishing and large social gatherings ; desecrating God's Holy Sabbath ; therefore be it

Resolved, That we earnestly urge every member of this conference to preach against Sabbath desecration, and to work in every way possible to stop this evil.

Resolved, also, That we do all in our power to keep members of our church from riding on Sunday trains, buying or selling, or doing unnecessary work on God's Holy Day.

Respectfully submitted, J. S. PARKER, Chairman.

The State of the Church.

To the Bishop and Members of the Mississippi Conference :

DEAR BRETHREN : This has doubtless been a year of the greatest triumph thus far in the Kingdom of our Lord and of His Christ. From throughout our Zion come reports of great revivals. Nearly all of our conferences have had large ingatherings, and we trust that the general statistics will show greater gains than ever before.

In our conference it has been a year of great peace, harmony, good will and brotherly love. We have been united in heart and hand in this great work. In many parts of the conference it has been a year of unprecedented prosperity. Our statistics show 4,337 additions—a net gain of 1,349 members. Numerous houses of worship have been built, new preaching places have been established and new churches organized, making it necessary for new pastoral charges to be formed.

Our Sabbath schools were never more prosperous and we mark increased interest generally in the social meetings of the church. In many places we find genuine types of Holy Ghost religion, and while these are not as common as they should be, may we not hope that the time is ripe for a great spiritual awakening and revival as we have not witnessed in late years.

We note with emphasis the fact that help in revival work has been that of co-laborers in the Mississippi Conference. Is not this significant ?

In conclusion we offer the following :

(1.) Resolved, That through faith in Him we make renewed effort for a GREAT SPIRITUAL AWAKENING AND REVIVAL.

(2.) Resolved, That in revival work we secure help largely, if not exclusively from within the bounds of our own conference.

F. M. KEEN, President.

B. S. RAYNER, Secretary.

Report amended by adding the following resolution :

(3.) Resolved, That as far as practical we will observe the watch-night services as suggested by Bishop Galloway.

Church Extension.

To the Mississippi Annual Conference :

BRETHREN—Your Board of Church Extension begs to submit the following as its annual report :

The books of our treasurer show the collections for the year to have been slightly in advance of those of the previous year, viz: about sixty-one per cent of the assessment.

This payment will explain the embarrassment of your board in view of the number of urgent and worthy claims for aid presented to us, and will show that as compared with other conference boards this board does not show equally the favor of the pastors.

We would call the attention of the Conference to the action taken by this body two years ago forbidding the discrimination of which we complain, and we would respectfully ask the Conference to repeat its deliverance upon that subject.

In view of the rapid development of our state, due to the building of new railroads and to the general advancement of our section, many new towns are springing up and, every where our brethern are taking advantage of the rising tide to advance the interests of our church. The aid for which these pastors are asking will, if granted, constitute one of the most profitable investments that our church could make in this state.

Your Board would reaffirm the importance of having applications in hand by the first of October of each year. This will give an opportunity to fully look into the merits of each case, and in some instances to have a member of our Board visit the charge from which the application comes.

We suggest the following assessments on the several Districts :

Vicksburg District.....	\$ 490 00
Jackson District.....	540 00
Brookhaven District.....	535 00
Meridian District.....	525 00
Seashore District.....	420 00
Natchez District.....	370 00
Forest District.....	370 00
Total.....	\$3250 00

There has been collected for Church Extension in our Conference during the year \$1946.10, one-half of which has been forwarded to the General Board; the remainder, after deducting necessary expenses, we have appropriated to the necessities of our church work as follows :

Newton.....	\$ 200 00
Utica.....	150 00
McHenry.....	100 00
Carpenter.....	100 00
Brooklyn.....	100 00
Magee.....	100 00
Conway.....	80 00
Cammack.....	50 00
Bethel.....	40 00
Total.....	\$ 920 00

We have endorsed two applications to the Home Miss. Society, one to the Conference Board and the other to the General Board ; both from the Benton and Midway charge.

L. S. JONES, President.

A. F. WATKINS, Secretary.

Brookhaven, Miss., Dec. 15, 1900.

Report of Sunday School Board.

To the Bishop and Brethren of the Mississippi Annual Conference :

BRETHREN—Your Sunday School Board beg leave to submit this as their report :

The proceeds from Children's Day amount to \$589.43. We have received from other sources \$56.28, making a total of \$645.71.

Our disbursements for the year have been as follows: Paid to the General Sunday School Board \$58.90 ; Paid to the Board of Education \$58.90 ; Paid for getting out the Year Book \$104.91, of which amount, \$25.80 were paid by advertisements ; Paid to the Secretary of the Conference \$25.25, as this Board's pro rata for printing minutes of 1900 ; Paid Barbee and Smith \$326.01 ; Paid to general expences of the Board \$81.47, making a total of \$689.43 disbursed.

The Board has reduced the amount offered on libraries, limited the amount to \$12. Any amount raised up to \$12, by any Sunday School, will be duplicated by this Board.

Your Board distributed this past year, free of charge, 12,345 Children's Day programs, put libraries into five (5) Sunday Schools, increased the number of Sunday School Magazines taken to thirty-eight (38) and the Children's Visitor to two hundred and twenty-six (226). It has also assisted about fifty (50) Sunday Schools, besides printing and distributing 600 copies of a handsome and useful Year Book.

We regret to report that the collections have fallen somewhat below the collections of last year. Eighty-six charges have reported Children's Day money, but there are thirty-three which have not reported a cent, nor was the day observed. We further regret to say that some of the charges which we have so generously assisted to get libraries have remitted us the least money. We would urge upon the posters to see to it, that Children's Day be observed as the Discipline directs and not substitute Missionary Rally, nor any other Day for it.

Your Board deem it best to postpone the publication of the Year Book till after the next Annual Conference so that all the charges and the amount of money paid by each may appear therein, besides giving a more perfect and complete directory of appointments and Superintendents of Sunday Schools.

In accordance with the 243rd paragraph of the discipline, a Conference Sunday School Convention was held at Madison Station, beginning March 28th and continuing three days.

We would respectfully urge every pastor to put forth his best efforts to increase the circulation of the Sunday School Magazine and Children's Visitor which ought to be in every home.

JOHN W. CRISLER, for Committee.

Report on Publishing Interest.

To the Bishop and Members of the Mississippi Annual Conference :

DEAR BRETHREN—We your committee on Publishing Interest, beg leave to submit the following as our report :

PUBLISHING HOUSE

The report of the Book Agents for the fiscal year, ending March 31st, 1900, shows a gratifying condition of the Publishing House. The volume of business continues to increase, both in Nashville and in Dallas.

Gain in assets, Nashville,.....\$ 39,265.46

Gain in assets, Dallas,.....- 4,121.00

Total gain in assets,\$ 43,386.46

GENERAL ORGAN

The Nashville Christian Advocate stands among the first, if not the first, religious papers in the United States. We endorse fully the management of Dr. Hoss.

METHODIST REVIEW

This periodical stands equal to any of its class and should be more extensively read. We regret that it is running at a loss.

REVIEW OF MISSIONS

This is a most excellent publication, and meets the requirements in every respect.

KPWORTH ERA

This paper ran at a loss this year of \$8,600.54, but Dr. DuBose, the editor, informs us that \$2,000 of this indebtedness have been liquidated, and that he is satisfied by the next General Conference all will have been paid. It deserves to be better supported, being a paper of merit and much needed.

SUNDAY SCHOOL LITERATURE

Our Sunday School Literature is of the highest order and should not be supplanted by any other.

CONFERENCE ORGAN

Since the North Mississippi Conference has abandoned the idea of having a Mississippi paper, we recommend that the hearty support of this Conference be given to the New Orleans Christian Advocate, and that we endorse the appointment of Dr. Boswell to the editorship.

We recommend the reappointment of Revs. R. J. Jones, L. Carly, and Dr. A. F. Watkins as Publishing Committee.

Respectfully Submitted,

JOHN W. CRISLER, for Committee.

Conference Relations. Report No. 2.

We your Committee on Conference Relations beg leave to make our report number two. We recommend J. W. McLaurin for Supernumerary relation. We do not recommend G. R. Ellis for Supernumerary relation.

Respectfully Submitted,

M. H. MOORE for Committee.

Board of Education on Twentieth Century Fund.

We estimate that the whole amount of paid and unpaid subscriptions to our Twentieth Century Fund in this Conference is \$15,400.00. But only \$3,355.09 of this has come into our treasurer's hands, and of this \$1,027.22 has been specially directed by the donors to various institutions, leaving a total of cash received on the general fund \$2,327.87. Five per cent of this or \$116.38 is to be deducted and set apart for the expenses of the canvass. This leaves \$2,211.49 and of this twenty per cent, or \$442.28 is to be sent to the treasurer of the General Board, which leaves \$1,769.21 which is the amount this Conference has at its disposal for application to its own schools. We recommend that \$1,368.77 be devoted to Whitworth College which amount, added to \$305. cash specials that are in our treasurer's hands, will be the amount necessary to remove the mortgages that encumber the Whitworth property.

We recommend that the remaining \$400.44 be held by our treasurer undirected until the next Annual Conference. In addition to this our treasurer has notes in his hands amounting to \$247.50 not counted in the above estimate of cash.

We shall look for a speedy collection by pastors of the subscriptions already enrolled, but as we shall need much more than is now in sight if our schools are to do the work expected of them in the Twentieth Century, we ask that the movement continue to be emphasized until all or most of our members and adherents are led to appreciate the needs of our schools and to make subscriptions to the Twentieth Century Fund.

We ask that all cash be sent promptly to our treasurer, R. W. Millsaps, Jackson, Miss. Where any of this is specially directed, our treasurer, if so instructed, will immediately forward such to the institution named in the instruction.

It is our desire that on the financial page of each pastor's report made at our next Annual Conference one of the blank spaces have written upon it by the pastor reporting "Twentieth Century Fund" as a separate item, with the amount of cash to that cause paid to our treasurer during the year and at Conference.

We ask that all pastors hold the watch-night service, programs for which are furnished by our General Board.

Certain monies handed to our collector, Rev. T. J. O'Neil since the above figuring was made will add to the above balance on hand of general fund about \$225.00.

W. H. HUNTLEY, President.

H. M. ELLIS, Secretary.

District Records. Report No. 2.

To the President and members of the Mississippi Annual Conference:

Since the submission and adoption of the report of your Committee on District Conference records, the record of the Vicksburg District Conference has been presented for examination and found to be well and neatly kept.

The Committee suggest however, that the Vicksburg District Conference provide a blank District Conference record book as the place for recording its minutes rather than the large and inconvenient ledger in which its minutes are recorded.

Respectfully Submitted,

JNO. D. ELLIS.

P. H. HOWSE.

Orphans' Home.

To the Mississippi Annual Conference, Brookhaven, Mississippi :

DEAR BRETHREN—We beg to submit the following as the annual report of the Board of Directors of the Orphans' Home :

We elected Rev. W. S. Harrison as manager and he took charge Dec. 20th, 1899. We elected Rev. W. T. Griffin of the Mississippi Conference as agent, who has traveled representing the interests of the Home, taking collections whenever opportunity was offered, and looking after the general interest of the Home in both Conferences and we feel that much permanent good has been accomplished. We had 53 children in the Home at our last annual report and 40 have been received since, 32 have been adopted or taken out by guardians leaving 55 in the Home. The health of the children during the year has been good. We have had no serious sickness.

We are indebted to Dr. T. L. Fox for his valuable services and his untiring energy and faithfulness in looking after the health of the children in the Home. He recommends and we have planned for the erection of a cottage for infants and a room where children seriously sick or suffering from contagious diseases may be isolated.

We respectfully solicit and urge our brethern to aid us in bringing the matter before the people. The school has been kept up all the year. Improvements have been made during the year in the way of clearing and fencing land, planting an orchard, etc.

By special contribution \$148.00 has been paid on a piano and an excellent heater has been placed in the Home.

We have had the use of the manager's horses during the year for which we return thanks. The religious interest of the children has been guarded; 13 have united with the church. They have had the benefit of Sunday School and religious services in the Home.

Our last report showed a balance on hand of \$551.47. We have received from the North Mississippi Conference \$2,547.32. From the Mississippi Conference \$3,081.04 making a total of \$6,179.83. We have expended \$4,879.00. By special donation \$1,000.00 was invested as an endowment, leaving a balance on hand of \$300.83.

The terms of M. L. Burton and W. A. Gunning as directors expire with this conference and we respectfully request your body to appoint their successors. We recommend W. T. Griffin for reappointment as agent.

J. H. SHERARD.

M. L. BURTON.

Bible Cause.

To the Bishop and Members of the Mississippi Annual Conference :

We your committee desire to submit the following report :

As the conversion of the world depends largely upon a knowledge of the Bible we regard the responsibility of the church as being very great. There is no institution that has and can do more for the nations than the American Bible Society if it is supplied with the means to print the word of God in the various tongues. The collections of the Church have been very meagre indeed. The Society desires to increase the distribution of the Bible but on account of the scarcity of funds, has not been able to do so.

The assessment plan has been recommended by the Society and as this Conference has adopted it in the past, we your committee recommend its continuance.

The total issue of the American Bible Society for the 84 years of its existence is 67,369,306 copies of the Holy Scriptures. The number issued last year, ending March 31st, 1900, was 1,406,801 volumes. The amount of money collected was \$287,409.04. The amount of money disbursed was \$287,409.04.

From the above figures we see that the receipts and disbursements of the Society are the same, and as there is a deficit in the amount assessed by the Conference for the Society we urge upon the pastors to be more zealous in presenting the claims of this grand and noble cause.

We recommend that auxiliaries be organized where possible.

We recommend that Rev. G. M. Hull be appointed Conference treasurer for the American Bible Society and that all monies collected for this cause be sent to him.

We recommend that the sum of \$1,000.00 be assessed upon the Conference for the ensuing year to be distributed as follows :

Vicksburg District.....	\$ 140 00
Jackson District.....	150 00
Brookhaven District.....	150 00
Meridian District.....	150 00
Seashore District.....	135 00
Natchez District.....	140 00
Eoreest District.....	135 00

Total.....	\$1000 00
------------	-----------

There has been collected on the assessment of \$1,000.00 the sum of \$706.92 of which amount \$547.55 has been collected in cash during the Conference session ; \$94.37 was sent during the year to Rev. G. D. French, and \$65.00 was paid through local auxiliary.

Respectfully submitted,

H. C. BROWN, Chairman.

B. H. RAWLS, Secretary.

Conference Endowment fund.

The Trustees of the Conference fund report as follows :

Our treasurer R.J. Jones has on hand in bonds, notes and cash \$5002.73.

This embraces the amount due from our Joint Board of Finance. We again urge our brethren to aid this board in their efforts to refund the amount we have temporarily loaned to them, viz : \$2,400.00, thus enabling us to fulfill our original design of furnishing a real Endowment Fund. Let this collection be in full or in excess.

We have elected the following officers, viz :—T. L. Mellen, president ; B. F. Jones, vice-president ; J. P. Drake, secretary : and R. J. Jones, treasurer.

Respectfully submitted,

J. P. Drake, Secretary.

Board of Education. Report No. 2.

MILLSAPS COLLEGE

The report of Millsaps College, presented to the board has been read with pleasure and the improvement on past sessions is exceedingly gratifying. The enrollment for the present session up to the present time is much better than heretofore.

We are glad to note that the student body is characterized by a strong, moral and religious sentiment and to quote the president "by serious purpose and high aim."

We also note with a deal of gratification that the personnel of the faculty is stronger than it has been since the opening of the College nine years ago.

Funds are greatly needed for the further strengthening of the College for usefulness as a first class College and it is to be hoped that the aggregate from the 20th Century Fund will aid in this.

We recommend the following to fill the vacancies due to the death of Rev. C. G. Andrews, D. D., and Peter James : Rev. T. B. Holloman and R. L. Bennett. We recommend the re-appointment of Dr. J. A. Moore to the chair of Mathematics. Students at Millsaps, J. J. Golden and F. L. Crowson. J. C. Ellis to Centenary College.

WHITWORTH COLLEGE

From the report of Whitworth College, presented by the president of the Board of Trustees we learn of the very hopeful prospect of its continued prosperity under the administration of Rev. A. F. Watkins, D. D., and Rev. M. L. Burton. The College, we judge, has not had a brighter prospect in all its history. We recommend the appointment of the above to the position of President and Vice-President.

EAST MISSISSIPPI COLLEGE

The President gives a glowing report of the College over which he has successfully presided for the past few years. The increase in attendance over last year is in keeping with the report of last year which is an indication of the popularity of the school.

EDWARD M'GEHEE COLLEGE

As with the other schools, this has had a gratifying increase in attendance and particularly so in the boarding department.

We commend it to the people in the section from which it draws its patronage.

PORT GIESON FEMALE COLLEGE

The report from the President, Rev. L. S. Jones, is gratifying in every respect and we doubt not the wisdom of the Board of Trustees in electing him again to the presidency. Since his administration many improvements have been made on the buildings which enhance their comfort and value. We recommend the re-appointment of Rev. L. S. Jones to the presidency of the College.

PAINE AND LANE INSTITUTE

The report from the Paine and Lane Institutes reveals the enlarged usefulness of these institutions. One statement made by Dr. Walker appeals to our sympathy, namely, "Without your means and prayers, brethren, we could not carry on this work."

We recommend the same assessment, \$300.00, as last year.

FOREST DISTRICT HIGH SCHOOL

We are pleased to note the prosperity of the above named school presided over by J. F. Galloway, A. B., a graduate from Millsaps College. We heartily commend this school to the section in which it is located.

VANDERBILT UNIVERSITY

While we have no report from Vanderbilt University, we are glad to report on the same as the central institution of our church, to which we gladly give our commendation and hearty support.

With all its departments of University grade, it is our judgment that it should have the support of the entire church. With free tuition, and with free scholarship or loans, our young ministers have within their reach the superior advantages that the University affords.

We recommend that our Colleges conform their curriculum as rapidly as possible to the recommendations of the General Board of Education and class themselves accordingly.

EDUCATIONAL STATISTICS

The following statistics are reported :

Number of Institutions.....	6
Value of the property.....	\$ 207,000 00
Endowment.....	107,000 00

W. L. C. Hunnicutt conducted religious services. Lesson, 4th chapter, II. Tim., 1 : 8. Hymn 485. Prayer.

Question 19 was called : "What preachers have died?"

D. Scarborough read memoirs of Rev. George Bancroft :

REV. GEORGE BANCROFT

The late Rev. George Bancroft was the son of Charles and Rebecca Bancroft of Mobile county, Alabama. He was born June 26th, 1826, near the city of Mobile. When yet an infant he was dedicated to God in holy Baptism, Rev. Ebenezer Hearn officiating. In early life he was the subject of religious impressions and being blessed with pious parents he was brought up in the nurture and admonition of the Lord. In the year of 1841, at the age of fifteen he joined the Methodist Episcopal Church, uniting with what was then known as the old Bee Hive

Church in Mobile under the pastorate of Rev. Jared Sparks. He developed into a strong young man who was admired for his upright conduct and respected for his Christian character. He was married to Miss Mary G. Ramsey, December 24th, 1845. She passed a faithful companion through life and preceded her husband to the Heavenly City a few months.

Brother Bancroft was licensed to preach in Sunyster county, Alabama, in 1848, and for many years was a faithful and acceptable local preacher.

He first joined the Alabama Conference, his first pastoral charge being Cuba Circuit which he had organized and named while a local preacher. Having served this charge he located for one year, at the expiration of which, in 1878, he joined the Mississippi Conference of which he was an honored member 'till his death. As an itinerant preacher he was loyal, always going wherever sent, and never complaining of his appointment. He was a faithful pastor and a good preacher. On account of failing health of himself and wife he was superannuated at this Conference which met in Hazlehurst December, 1893. Often has he been heard to say that the greatest cross of his life was the giving up the work which he loved so much and in which he spent his life.

The later years of his life were spent in the town of Forest where he lived with his grand-daughter, Mrs. Mary Gardner. For several months prior to his death he suffered a lingering illness and gradually grew weaker until the first of May last at 10:55 p. m., when he peacefully fell on sleep.

While afflicted in body all was well with his soul. His thrilling experience of a present, joyous and full salvation was an inspiration to all who visited him during the latter weeks of his life. No child of God was ever riper for the Kingdom and more ready to go when the message came to him, "Come up Higher." While he has answered for the last time to the roll call of the Conference which he loved so dearly, yet in that great day when the roll is called up yonder he will be present.

Well may it be said of him, "He fought a good fight and kept the faith," and now wears the crown of rejoicing at the right hand of God on high.

"Servant of God well done,
Rest from thy loved employ,
The battle fought, the vict'ry won,
Enter thy Master's joy."

A. F. Watkins read memoirs of Rev. Charles Green Andrews :

REV. CHARLES GREEN ANDREWS.

The following tribute to Dr. Andrews written in great haste and by other hands than my own does not lay claim to the merit of strict originality, liberal use having been made of the discourse delivered by Bishop Galloway upon the occasion of the funeral of Dr. Andrews and

of an article which appeared about that time in the columns of the Vicksburg Herald.

The Mississippi Conference sits today under the shadow of a great sorrow, and so we sigh for the touch of the vanished hand and the sound of the voice that is still, our hearts grow big with that same feeling of desolation which overwhelmed us when we first heard 'Dr. Andrews is dead.' A brother of deep spirituality, of marked integrity and spotless character is gone. We miss him at every turn, and at every session our hearts have grown tender with spoken and unexpressed thoughts of him.

The Secretary's desk at which he sat and performed his faithful work for so many years has become a sacred place to us.

We miss his majestic form, his friendly greeting, his wise council. He stands today glorified in the presence of his King and has already heard the, "Well done, thou good and faithful servant."

Charles Green Andrews was born in Madison county, Mississippi, and at the time of his death was about 70 years of age.

Reared in affluence, inheriting the best blood of the old south, accustomed to all the graces and refinements of the highest social life, the son of large fortune and thoroughly educated, no young man in Mississippi in these golden days before the war ever entered life with fairer prospects or more radiant hopes. He was graduated from Centenary College, Jackson, Louisiana.

The highest distinctions allured his worldly ambitions and the richest rewards awaited his eager search, but, when the voice of God was heard calling him away to the quiet, humble life of a Methodist preacher he obeyed without a murmur. He was admitted on trial in the Mississippi Conference in Woodville, Mississippi, December 8th, 1848. His first appointment was Point Worthington and American Bend, and between that time and the session of the Conference held in Vicksburg in December, 1899, he filled every grade of appointment from the humblest to the highest.

In 1871 he was elected president of Centenary College, Jackson, Louisiana, a position which he filled with credit to himself and great usefulness to the church, until 1882 when he was made presiding elder of the Vicksburg District.

In December, 1896, Dr. Andrews was made presiding elder of the Meridian District and had barely entered his fourth year when death claimed him.

He was married in early life to Miss Octavine Kearney, a woman who by her gentle and gracious manners, her comprehending sympathy and unselfish zeal was peculiarly fitted for a minister's wife. This home, with its added blessing of six children, was one of the happiest that ever entertained an itinerant preacher, and its door was always open and its welcome always cordial.

For many years Dr. Andrews had occupied the very first place in the affections of his brethren of the Mississippi Conference as evinced by his repeated election as Secretary of the Annual Conference and his frequent selection to represent them in the General Conference in the Church.

He was a member of every General Conference of the Methodist Episcopal Church, South, since the session held in 1870. He was also a member of the Ecumenical Conference which met in the City Road Chapel, London, 1881, and that held in Washington City, 1881. For thirty-four years he served continuously as Secretary of the Conference except when taken from the Secretary's table and made presiding officer in the absence of the Bishop. In any company of men, Dr. Andrews would have been conspicuous. In person he was tall and erect and stately. His features were clear cut and regular, his eyes gray and piercing, his broad forehead indicated intellectual strength, and his thin lips and clear voice suggested something of austerity in his nature. His manner was courtly and dignified, and he was marked by an ease and grace of movement unusual in one of his structure.

His handsome form and noble bearing indicated the symmetry and strength and uprightness of one of the manliest and kindest of men.

Bishop Galloway says of him, "He was a man of profound piety. I have thought without invidious comparison or extravagance of speech that he was the holiest man I ever knew. The deep things of God he grasped with a strong and intellectual faith and transmitted them into the very fiber of his being. He dwelt amid the high places of the Kingdom of God. There were no heights of faith into which he did not ardently aspire and if there were any into which he did not attain, it was because of the weakness or weariness of his soaring wing. But like all deeply spiritual and refined souls he was modest in the expression of his religious feelings. He felt that there ought to be some sacred secrets between the soul and God. So, while he dearly loved the conventicles of the saints, and liked to talk of the great verities translated into human experience, he was as far as possible removed from cant or spiritual conceit."

He was a man of prayer, spending whole nights sometimes in supplication to God.

As a preacher, Dr. Andrews cannot be said to have occupied the highest rank, but he was scriptural, clear and strong and his splendid personality, his magnificent manhood carried him triumphantly into place and power in the church, and into the hearts of his people to an extent that would have been impossible to mere pulpit ability when not re-enforced by these virtues of personal character.

As a pastor, Dr. Andrews was diligent and painstaking and many are the homes of the high and the humble, homes marked or unmarked by the advantages of wealth or culture in which his sympathetic ministry will be remembered.

But it is probable that in the social circle whether in the wider or narrower significance of that term, that the charms that saintly man shone more resplendent.

He was the ornament of every circle into which he entered where dignity without stiffness, grace without affectation, and affability without triviality evinced the cultured, modest gentleman. In that most sacred circle into which only kindred and friends beloved could enter he was at his best, the center of joy and gladness as he was the center of affection.

He was loved with a fever inexpressible not only for the strength of manhood but also for the fun and frolic, and the very boisterousness of boyhood which was so unexpectedly, but withal so becomingly manifested in the gray haired and dignified minister.

As a christian, Dr. Andrews was recognized by all who knew him as a consecrated and devout man converted in his youth he was marked throughout his long life by deep piety that left its impress upon all who knew him.

Unostentatious in his religious life, a foe to shams, and with no sympathy with morbid or abnormal expressions of religious experience, he presented to the world a true type of the disciple and minister of Jesus Christ.

We feel that we are honored in having had him among us and that God has been glorified by his life and by his death.

J. T. Leggett read memoirs of Rev. A. B. Nicholson :

REV. ARCHIBALD B. NICHOLSON

Rev. A. B. Nicholson was born in South Carolina in 1826. At the age of four his parents moved to Florida. His father, having no pastor, became the priest of his home, and the childhood of our brother was spent in the home of parents who were devout members of the Presbyterian church.

On leaving home he fell into skepticism but he could not free himself from the teachings of his childhood.

We quote the following from notes left by Bro. Nicholson : "On the first Sunday night in July, 1849, I was most powerfully converted. I was licensed to preach in 1851, and in 1852 was received on trial into the Mississippi Conference and appointed to Bayou Pierre circuit. In 1853 I was sent to the Gainsville circuit, in 1854 was sent to the Franklin circuit, in 1855 to the Scotland circuit, in 1856 to the Georgetown circuit, in 1857-58 to the Brookhaven circuit, 1859 to Pearl River circuit, in 1860 Brandon circuit, 1861-62 Raleigh circuit, 1863-64 chaplain in Confederate army, 1865 Lake circuit, 1866 Scotland circuit, 1867-68 Bayou Pierre circuit, 1869-70 Bahalia circuit, 1871 Rocky Springs, 1872 Scotland circuit, 1873-75 Summit district, 1877 Ocean Springs circuit, 1878 Pearlington circuit, 1879 DeKalb circuit, 1880 Dover circuit, 1881 Spring Ridge, 1882 Martinsville circuit, 1883 Providence circuit, 1884 Forest and Morton, 1885 Fannin circuit, 1886 Supernumerary, 1887 supernumerated and remained so. I took into the church 3,300 members. I know eleven ministers who said they were converted under my ministry."

Brother Nicholson had a pronounced religious experience. He never doubted his conversion. It was as distinct to him as the shining of the noonday sun. He was intensely emotional. To shout, to weep, to laugh, were the methods by which he showed his deep and overflowing love for God. To judge one's sermons by its results, Brother Nicholson was a most excellent preacher. He possessed the gift of or-

atory, and at times there were spiritual shocks produced by his preaching. He possessed a strong personality, and nowhere was it felt more strongly than in the pulpit.

He knew the way to human hearts. Few men could excel him in conversation. A fine vein of humor pervaded his style. There was no loss of enjoyment if one heard him repeat an anecdote. To spend Monday with him, a brother pastor would forget it was blue Monday.

The home life of our brother was attractive. On the twenty-fourth of December, 1855, he was married to Miss Adelia Graves, daughter of Wm. Graves of precious memory.

His love for his companion was as fresh, joyous, and tender as on the bridal morn. He was childless but the children loved to visit his home, for children, like the carrier-pigeon have the home instinct. He loved little children.

In his declining years he had no spirit of carping. He loved his brethren. In the garden of friendship the flowers never faded. There the rarest flowers ever grew and their fragrance was ever about you. How we loved him! we could not help it. His friendship would hold you like the sun holds the planets.

July 2nd, 1900, at his home in Hazlehurst, Miss., our brother passed peacefully away, like a weary child going to sleep at even-tide,

"It is not death to die,
To leave this weary road;
And, 'mid the brotherhood on high,
To be at home with God.

It is not death to close
The eye long dimmed by tears,
And wake, in glorious repose,
To spend eternal years."

The original resolutions adopted.

The Bishop called J. M. Weems to take the chair and the presiding elders to retire with him.

H. M. Ellis presented report No. 3 Board Education, adopted.
To the Bishop and members of the Mississippi Annual Conference :

DEAR BRETHREN : The committees appointed by the last annual Conference to examine the titles and condition of our Colleges have all reported except that on Millsaps College. But none give complete abstracts of the titles. We therefore recommend that this Conference request these committees to furnish it with complete abstracts of the titles of our Church to the properties of each of our Church schools, including therein a full statement of encumbrances and indebtedness, if any, and, if no indebtedness or encumbrance exists, a certificate of that fact.

It appearing from the report of the Committee on the title of East Mississippi Female College that the ownership of the Annual Conference is not as fully set forth as was doubtless intended by its originators, this language being used by them in their report : "It is the opinion of your committee, fortified by the opinion of three lawyers of ability, that the Conference has no power to control or direct the affairs of the College, and that the power to control it is vested altogether in the board of trustees." We recommend that the same committee of lawyers appointed at our last Conference be appointed to see that, if necessary, as appears from the report of this committee on titles, such amendments be made to the charter of the institution as to give the Annual Conference proper control of the property and the power to confirm or reject any future trustees.

H. M. ELLIS, Secretary.

W. H. HUNTLEY, President.

L. Carley presented resolutions upon the use of tobacco which after amendment were adopted.

Whereas the use of tobacco is pronounced by high medical authority as injurious to the organs of the body and the faculties of the mind, and,

Whereas the word of God in both Old and New Testaments inculcates purity of body and soul and spirit, and,

Whereas the habit of smoking or chewing tobacco seems to be condemned by our discipline in the rule forbidding "needless self-indulgence," and,

Whereas a large number of the people among whom we labor complain that they are hindered in opposing this habit among their boys by the influence of smoking preachers,

Therefore, be it resolved,

1st. That we regard the habit of smoking as hurtful to one's spiritual life as a hindrance to usefulness in the work of the ministry.

2nd. That we believe the abandonment of this habit by those who have formed it will be conducive to their usefulness and to the glory of God.

Conference Brotherhood.

Constitution and By-Laws of the Mississippi Conference Brotherhood.

Preamble : Feeling that we may mutually aid each other by the organization of a Brotherhood on the mutual insurance plan, and that our families might derive benefit therefrom, therefore we, the undersigned traveling preachers of the M. E. Church, South, in the State of Mississippi, with a view to affording immediate assistance to the family of a deceased brother, do pledge ourselves to each other, according to the term Brotherhood, hereinafter described.

CONSTITUTION.

Article 1. This organization shall be known as the Brotherhood of Traveling Preachers of the Mississippi Conference of the Methodist Episcopal Church, South.

Article 2. Every effective traveling preacher of said Mississippi Conference, not over fifty years of age, shall be eligible to membership.

Article 3. The membership of this Brotherhood shall not extend beyond the limits of said Mississippi Conference, except in case of the transfer of a member to another Conference, when said member so transferred may continue his membership by complying with the Constitution and By-Laws of said Brotherhood.

Article 4. Any person may become an honorary member of this Brotherhood, with all its privileges and obligations, except to be a claimant on the mortuary fund.

Article 5. The officers of said Brotherhood shall consist of a President, a Vice-President, a Secretary, a Treasurer, and such other officers as may be from time to time appointed.

Article 6. The officers of said Brotherhood shall be elected quadrennially at the time and place of the meeting of the Annual Conference, by receiving a plurality of the votes cast by those present, and shall serve without compensation.

Article 7. It shall be the duty of each beneficiary member upon official notice of the death of a member, to remit to the treasurer an assessment of \$5.00, and of each honorary member an assessment of \$1.00. If any member shall fail to pay said assessment within sixty days after the call of the secretary, he shall be deprived, by suspension, of all

benefits of the Brotherhood, and if said assessment shall not have been paid within four months, such delinquency shall work a forfeiture of membership.

Article 8. No part of the foregoing Constitution shall be changed or amended, except by a majority vote of the beneficiary members of the Brotherhood.

By-Laws.

Section 3. There shall be a Board of Managers, of five members appointed by the President, within 30 days after each annual meeting of the Brotherhood, having reference to their contiguity and facilities for communication, whose duty it shall be to fill any vacancy that may occur in the offices. Said Board of Managers shall hold their offices for one year, and until their successors shall have been appointed. They shall at all times have access to the books of the Secretary and Treasurer and shall have power of removal from office for sufficient cause. All matters of complaint shall be referred to them, and said Board of Managers shall have power in the interim of the regular meetings of the Brotherhood to advise, direct and control the affairs of the Brotherhood within the restrictions of the Constitution.

Section 4. Each and every person seeking admission into this Brotherhood as beneficiary member shall take upon himself this pledge: I do hereby promise to comply with the Constitution and By-Laws of the Brotherhood of Traveling Preachers of the Methodist Episcopal Church, South, paying my annual dues and all mortuary assessments whenever notified and requested so to do, and to use all diligence in building up and promoting the interest of the Brotherhood; and in default thereof I agree to forfeit all my rights and privileges under said Constitution and By-Laws.

Section 5. Any member suspended for non-payment of dues, or mortuary fees, may be re-instated at any time by paying to the Treasurer the dues and assessments upon which he was suspended, together with those which have accrued during the past twelve months, and which he has failed to pay.
